Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Building Equitable Access to Community Opportunities Now (BEACON) program in fiscal year 2023. The entity to receive funding for this project is Alphapointe, located at 7501 Prospect Avenue, Kansas City, MO, 64132. The funding would be used for the expansion of Alphapointe's current building as well as the creation of a new, nearby facility to provide for the continued rehabilitation and training needs of disabled job seekers and offer new health and child care services to the surrounding, underserved community. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Member of Congress
